Claret Golf Tours, in Florida, and St. Andrews based, Scotland for Golf, have once again partnered to bring you these unique, fully escorted tours in 2025. Join us as we embark on an unforgettable golf vacation to Scotland and St Andrews, one of Scotland's most iconic, historic, and beautiful towns, and the location that's recognized the world over, as the birthplace of golf!

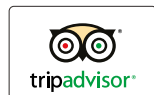

Your tour hosts are Fiona and Keith McColl who know St Andrews better than most, having lived and worked right here, at the Home of Golf, for many years before moving to Florida. Their personal knowledge and expertise have resulted in these unique tours that perfectly blend unforgettable bucket list golf experiences with one-of-a-kind sightseeing and dining opportunities, and all at an unmatched price point!

Our carefully crafted tours begin when you arrive in Scotland with luxury chauffeur driven transportation to St Andrews, and throughout your vacation. 7 nights hotel accommodation, with full Scottish breakfast, is included in your choice of economy or luxury 5\* accommodation. Unlimited daily golf in St Andrews is available on whichever 3 days from 7 that you choose to play, with tee times arranged, on your choice of 6 iconic St Andrews Links courses AND this year all golfers will enjoy an exciting additional opportunity as we have also included 18 holes at the impressive and historic Panmure Golf Club in Carnoustie. A daily ballot entry will also be completed and submitted each day of your trip for all golfers hoping to add The Old Course to their golf itinerary during this trip too.

Golfers will also enjoy opportunities to visit Scotland for Golf's highly impressive indoor facility in St Andrews during their trip and this includes receiving expert tips on playing links golf and tuition available from their top PGA Teaching Professionals.

In 2025 we have included more than ever in these trips for you to enjoy! We call them Unique Experiences and you can check them all out on page 8 for full information. From caddies to sightseeing experiences, from visits to additional "hidden gem" golf courses to historic places of golf and local interest, and on our final evening together, a Scottish Farewell Dinner like no other, in a breathtaking St Andrews location that will leave you with the very best memories of your time in Scotland with us!

# FEATURED COURSES

SCOTLAND

# NEW COURSE

## A CLASSIC TEST OF LINKS GOLF

*The oldest 'new' course in the world, the second course at the Home of Golf was built by the Keeper of the Green, Tom Morris in 1895 and it was imaginatively named to differentiate from its famous neighbour. Boasting undulating fairways and challenging greens, the New Course is a classic test of links golf.*

tripadvisor

# JUBILEE COURSE

## PLAY A CHAMPIONSHIP GOLF COURSE

*The third championship course at the Home of Golf, the Jubilee is considered by many to be the most challenging course on the famous Links. Built in 1897, it was originally intended for use by ladies and beginners; however, after seeing its prime golfing location between the New Course and the sea, the Jubilee was converted to a championship layout in 1988.*

# CASTLE COURSE

## SHOW STOPPER

*The newest addition to St Andrews Links, The Castle Course opened in 2008 becoming the seventh course at the Home of Golf.*

*Set on a rugged cliff-top with spectacular views over St Andrews, The Castle Course offers a memorable golfing experience.*

# PANMURE GC

## HIDDEN GEM

*Games of golf have been won and lost over the links at Panmure for a very long time.*

tripadvisor

## COLT CLASSIC

*Only slightly more forgiving than its contemporaries on the seaward side of the Links, the Eden Course was built in 1914 by Harry S. Colt whose use of natural boundaries and severe bunkers provides a course full of character.*

# STRATHYRUM GC

## PLAY A LOCAL FAVOURITE

*The Strathtyrum was opened in 1993. Although few in number (15), the bunkers are cunningly placed and there is considerable emphasis on iron play accuracy. The greens themselves are large and have slopes and borrows which can test even the most confident putters.*
